THE SPOOKTAGULAR

I've traveled all over, pretty much everywhere you can make a dollar. I've made people happy, and I guess annoyed a few. But everywhere you go has monsters—this show included.

THE SHOW

You spent a long time with a traveling show and get an ability based on its style.

Are you still with them? If so, how do you balance work and monster hunting? If you left, why was that?

- ☐ An Infernal Power: A Big Bad operated the Show for evil purposes. You signed the contract—take a three-box infernal favour track. Spend these as if they were Luck points. The Big Bad may restore these points when they wish, but first you must do something unforgivably terrible. What sin have you already committed? Infernal Favour: ☐ ☐ ☐.
- Magic & Illusions: You can cast confounding spells. When you weave an illusion, roll +Weird. On a 10+ everyone is fooled, they are either led in a direction of your choice or you and those you choose escape undetected. On a 7-9, it doesn't quite work: misdirect or escape as a 10+ result, but the Keeper chooses one: someone isn't fooled, or you gain unwelcome attention. On a miss, it goes badly as magic always does.
- Making Money: You've got a lot of practice bamboozling folks. When you mess with someone, roll +Charm. On a 10+, they don't know what's going on and overlook something of your choice. On a 7-9 they still overlook something but they're more angry than baffled. On a miss, you better run.
- ☐ Problem Solvers: The Show rolls into town, people visit and reveal their difficulties. The crew arrange to make things better, leaving each town a little happier than when you arrived. Well, when things go smoothly anyhow. When you chat to someone, or observe them for a few minutes, the Keeper will tell you what their biggest problem is right now.
- ☐ Supernatural Creatures: You're not entirely human yourself. Pick a single supernatural move from any hunter playbook (the Monstrous is a good place to start). How does your inhuman nature show?

MOVES

You get all of the basic moves, and two Spooktacular moves. Pick two of these:

Put On A Show: You can entertain people so they
feel joy and forget their troubles. Say what you do
and roll +Charm if it's pure performance or +Weird
if you add a pinch of magic. On a 10+ the audience
is transported and happy. Troubles and trauma are
eased in their minds, for a good while. On a 7-9 pick
one: the effect just lasts a little while, or the regular
time but there's a ruckus when you're done.

A Negligible Price: You can make a magical deal to
fulfill a desire for someone else. The price is that they
reveal to you a secret, the world then arranges itself
to fulfill their desire, fitting the scale of the secret.

Easygoin': You have the gift of being friendly and
easy to chat to. When you try to make a good
impression on someone you just met, roll +Charm.
On a 10+ they treat you as a trustworthy and friendly
acquaintance. On a 7-9 they open up more than
usual but still regard you as a stranger. On a 6 or less
they think you're playing them, and they'll not trust
you or your companions.

Pay It Backward: Give yourself or someone else an
advantage on any roll: roll 3 dice and select the best
2 for your result. Whenever you do this, the Keeper
gains 1 hold. That hold may be spent to give any
hunter (but usually you) a disadvantage: roll 3 dice
and select the worst 2 instead

The Old Crew: You have an ally team of Show folks
you worked with. They are great at setting up a scene
creating a distraction, or even intimidating folks.

☐ **The Game Is Fixed**: When you **use magic** in a crowded and chaotic place (like a fairground), take +1 forward. You may also choose the following effects whenever you **use magic**:

- Someone fails a skilled task
- You disappear unnoticed and untraceable in a crowded and chaotic scene
- Instantly set up or pack away a carnival stall or camp site
- Track someone
- · Get a bunch of cash.

INTRODUCTIONS

When you get here, wait for everyone to catch up so you can do your introductions together.

Go around the group. On your turn, introduce your Spooktacular by name and look, and tell the group what they know about you.

HISTORY

Go around the group again. On your turn, pick one of these for each other hunter:

- This hunter worked the Show with you. Ask them for how long-it was at least a few months, time enough to become friends.
- · This hunter knew you as a kid. Ask what town you both hail from. Did you run away to join the Show?
- "No, I certainly did *not* rip you off in that town a few years back. Must have been a different show, mate."
- This hunter was chasing a monster when the Show was in town, and thought it might be one of the crew. Was it? How did you resolve things?
- This hunter is an estranged family member. Decide the exact relationship together.
- Something got loose from the Show, a few years back, and this hunter ended up helping you secure it again. Tell them what got loose, then ask how they ended up hunting it too.
- A fortune teller told you this hunter is part of your destiny. Ask what the rest of the fortune said.
- This weird old person pointed this hunter out to you when you were in a bad spot. Ask them why they helped you get back on track.
